House in Alto Solarino

Price: €325,000

Located on a hill above the city of Mindelo, Alto Solarino benefits from spectacular, uninterrupted views of the bay of Mindelo, considered one of the ten most beautiful bays in the world, but is only a five minute walk from Praça Nova, the centre of Mindelo.

Built over three floors Alto Solarino has three suites, a large lounge, dining room and television room and benefits from a variety of terraces and significant outdoor space providing breathtaking views to Santo Antao

Finally, there is the opportunity to extend the property by virtue of a plot of land of 140m² for sale in front of the house that could be used to build a swimming pool. Words cannot describe the design, quality of finish and views that this house possesses. This is a very special home and it is being sold unfurnished for 395.000 Euros.
